Thanks, Kerry –

Either one would do. Can I have both? Apparently they are violating watering rules. The constituent has asked for a contact.

Dan, do you want the property owner, or the current manager of the Social Security office?

PS we've had periodic meetings down there re/ security and homeless issues.

Hello,

I was hoping you would have a contact info for someone at the Social Security building on Vine & Banner. Their sprinkler has been broken for a while now and my messages have gone unanswered. It's very frustrating to walk past their building with puddles of water nightly while we are going through a drought. Thanks for your help in advance.

Hi Dan / Art,

I've provided all the info to our water distribution and power distribution chiefs and asked that they contact Art to set up future coordination and communication on this. They also have Troy Redfield's contact info at Bernards. Let me know if you need further assistance on this.

Good morning all.

Is there a DWP contact to get information on future work that will impact street access?

This morning (it is open now), Argyle at Selma was closed due to DWP work.

Thank you.
